ABOUT ME

A B.Tech CSE graduate with a strong interest in Cybersecurity and Ethical Hacking. I have hands-on experience with Kali Linux, networking fundamentals, reconnaissance techniques, and cybersecurity tools, and I am continuously developing my practical skills through self-learning. I also have a foundation in Java and MySQL, which has strengthened my understanding of programming and databases. I am a quick learner, passionate about cybersecurity, and eager to apply my technical knowledge to real-world security challenges while building a career in the cybersecurity and ethical hacking domain.

EDUCATIONAL BACKGROUND

Bachelor of Technology in Computer Science & Engineering
JIS University (2021- 2025)
CGPA obtained: 8.68

Higher Secondary(12th)
Jhargram Nanibala Vidyalaya (2021)
Percentage: 82.40%

Secondary(10th)
Sri Ramakrishna Saradapeeth Girls' High School (2019)
Percentage: 76.00%

SKILLS

***Cybersecurity Skills**:*

- *Kali Linux basics, Cybersecurity Fundamentals, OSI Model & Networking Basics .*
- *Reconnaissance & Information Gathering using WHOIS Lookup, NSLookup, Social Searcher.*
